BOOTCAMP AGENDA

Asia-Pacific Digital Health Interoperability Bootcamp

Sydney, Australia

18–20 October 2026

AWS Sydney Office | Level 5, 2 Park Street, Sydney NSW 2000

PROGRAMME AT A GLANCE

18	SUN 18 OCT	Multi-Stakeholder Workshops
19	MON 19 OCT	International Patient Summary (IPS)
20	TUE 20 OCT	Digital Public Infrastructure for Health (DPI-H)
21–23	WED–FRI 21–23 OCT	SNOMED CT Expo

DAY 0

SUNDAY 18 OCTOBER 2026 · PARTICIPATION BY INVITE ONLY

Multi-Stakeholder Workshops

TIME	SESSION	
9:00am – 1:00pm	**Vision and Validation Workshop: Pacific Digital Health Academy** Facilitator: World Bank, SPC, CSIRO (Invite only)	
2:00pm – 5:00pm	Session A **Pacific Clinical Data Modelling** Facilitator: CSIRO, SPC (Invite only)	Session B **AI Risk Mitigation Framework** Facilitator: UNICEF (Invite only)

WORLD BANK GROUP

Pacific Community
Communauté du Pacifique

Australian Aid

CSIRO

DAY 1

MONDAY 19 OCTOBER 2026

Connected Care

Building country capability for shared patient summaries across facilities and borders using the International Patient Summary (IPS)

TIME	SESSION	FACILITATOR / SPEAKER
8:30am – 9:00am	**Member Registration** Participants are requested to be seated by 8:55am	
9:00am – 9:30am	**Official Welcome to Country**	
9:30am – 9:45am	**Welcome from our host AWS** (5 min)	AWS
	Followed by an interactive MENTI icebreaker session (10 min)	Kate Ebrill, CSIRO Rumanusina Maua, SPC
9:45am – 9:55am	**Formal Remarks and Acknowledgements** Australian e-Health Research Centre (AEHRC)	David Hansen, AEHRC, CSIRO
9:55am – 10:00am	**World Bank Statement of Support** Support to PHIT countries and the region	Margareta Norris Harrit, World Bank
10:00am – 10:15am	**Bootcamp Context Setting** Contextual background and alignment between regional capacity development through the CSIRO Strengthening Standards Capability Project (SSCP), and future direction setting for the Pacific region under the World Bank PHIT project	Umer Nisar, CSIRO Rochelle Se Yun Eng, World Bank
10:15am – 10:30am	**Regional Perspective: Pacific** Regional vision, priorities and challenges towards shared and connected care across facilities and borders	Rumanusina Maua, SPC
10:30am – 10:45am	**Regional Perspective: Asia** Regional vision, priorities and challenges towards shared and connected care across facilities and borders	Jai Ganesh Udayasankaran, AeHIN
10:45am – 11:00am	**Aligning Cross-Regional Priorities with Global Direction and Support** WHO support for capacity development and implementation	Dr Alain Labrique, WHO
11:00am – 11:10am	**Group Photo**	All participants
Morning Tea *11:10am – 11:30am · 20 minutes*		
11:30am – 11:45am	**Current State of Standards Adoption for Patient Summaries** Participants follow an interactive MENTI session with a series of questions to identify the current state of standards adoption for patient summaries in their country context	Group Activity
11:45am – 12:00pm	**Connected Care: International Patient Summary (IPS)** Sets the context through a cross-border referral journey (Overseas Medical Referral – OMR) use case, demonstrating how Standards Development Organisations (SDOs) enable connected care through IPS, and how the same approach supports shared patient summaries across health facilities	Diego Kaminker, HL7 International Kate Ebrill, CSIRO

DAY 1

MONDAY 19 OCTOBER 2026 · CONTINUED

Connected Care

TIME	SESSION	FACILITATOR / SPEAKER
Deep Dive: How SDOs Enable Connected Care and Shared Patient Summaries		
	Explores how Standards Development Organisations can support countries to implement the IPS standard in their context, not only for Overseas Medical Referrals but also for shared patient summaries across health facilities.	
12:00pm – 12:20pm	**HL7 International** Standards and implementation support for the International Patient Summary	Rachel Dunscombe Diego Kaminker
12:20pm – 12:40pm	**openEHR** Logical information models and clinical modelling for reusable patient information	Jordi Piera Jimenez
12:40pm – 1:00pm	**Open Forum / Q&A**	Group Activity
Lunch *1:00pm – 2:00pm*		
2:00pm – 2:20pm	**SNOMED International** Preserving clinical meaning across systems, facilities and borders	Alejandro Lopez Osornio
2:20pm – 2:40pm	**Regenstrief Institute** Standardising laboratory results and clinical observations	Marjorie Rallins
2:40pm – 2:50pm	**Open Forum / Q&A**	Group Activity
2:50pm – 3:00pm	**WHO-FIC** Insights and updates from WHO-FIC Network Annual Meeting 2026	Nenad Friedrich Ivan Kostanjsek
Afternoon Tea *3:00pm – 3:15pm · 15 minutes*		
3:15pm – 4:00pm	**Design Workshop: From Country Readiness to Regional Implementation** Participants work in groups to identify priority IPS use cases in their context, supporting overseas medical referrals or in-country exchange of patient summaries. For each use case, groups identify challenges, enablers and areas for capacity development.	Group Activity Facilitated by HL7 and CSIRO
4:00pm – 4:15pm	**Regional Case Study: IPS Secure Project – ASEAN (AeHIN)**	Ms Nindya Ayuningtyas, Universitas Gadjah Mada (UGM), Indonesia
4:15pm – 5:00pm	**Regional IPS Connectathon Proposal** Day 1 wrap-up	Kate Ebrill, CSIRO

ADDITIONAL EVENTS

6:00pm – 8:00pm **Networking Event: SNOMED Business Meeting Welcome reception** (Registration Required)

DAY 2

TUESDAY 20 OCTOBER 2026

Digital Public Infrastructure for Health

Learning from Digital Public Infrastructure for Health (DPI-H): experiences and building country readiness

TIME	SESSION	FACILITATOR / SPEAKER
9:00am – 9:15am	**Recap Day 1** Connecting the journey from standards to Digital Public Infrastructure	Kate Ebrill, CSIRO
9:15am – 10:00am	**WHO Reference Architecture for Digital Public Infrastructure for Health (DPI-H)**	Garrett Mehl, WHO Jordi Piera Jimenez, openEHR Umer Nisar, CSIRO
10:00am – 10:15am	**World Bank Digital Health Blueprint Toolkit**	Ali Habib, World Bank Shivnay Naidu, World Bank

10:15am – 11:15am — DPI-H Country Exemplars and Implementation Journeys

- **Australia** — 10 min
  Health Connect: National HIE Program
  ADHA (TBC)
- **Fiji** — 10 min
  Insights from Digital Health Strategy
  Shaneel Prakash, MHMS Fiji
- **Philippines** — 10 min
  Aklan LHIE
  Ms Cherrie Esteban, DOH Philippines;
  Dr Leslie Sedillo, PHO Aklan
- **Indonesia** — 10 min
  SATUSEHAT
  Ms Nindya Widita Ayuningtyas, UGM, Indonesia
- **Mongolia** — 10 min
  FHIR Adoption and DPI-H
  Dr Damba Ganzorig, Dr Batchingis Chinbold
  Health Development Center

11:05am – 11:15am	**Q&A / General Discussion**	Group Activity

Morning Tea *11:15am – 11:45am · 30 minutes*

11:45am – 12:45pm — DPI-H Australia: Lessons Learned and Best Practices

- **National Clinical Terminology Service** — 10 min
  AEHRC, CSIRO
- **My Health Record** — 10 min
  ADHA
- **National Health Services Directory** — 10 min
  Bettina McMahon, Healthdirect
- **Royal Flying Doctor Service** — 10 min
  Shaun Francis, RFDS

12:45pm – 1:00pm	**Q&A / General Discussion**	Group Activity

Lunch *1:00pm – 2:00pm*

DAY 2

TUESDAY 20 OCTOBER 2026 · CONTINUED

Digital Public Infrastructure for Health

TIME	SESSION	FACILITATOR / SPEAKER
2:00pm – 2:15pm	**Global Digital Health Partnership (GDHP)** Overview of the GDHP and opportunities for country engagement in international digital health collaboration	TBC
2:15pm – 2:45pm	**Building Trust Frameworks and Cross-Border Health Data Sharing Networks**	
	Global Digital Health Certification Network (10 min) Matthew Keks, WHO	
	European Health Data Space (10 min) (TBC)	
	Australia (10 min) DoHDA (TBC)	
2:45pm – 3:00pm	**Open Forum / Q&A**	Group Activity
	Afternoon Tea *3:00pm – 3:30pm · 30 minutes*	
3:30pm – 4:30pm	**DPI-H Capability Pathway for Countries** Participants work in groups to: 1. Select a priority health use case in your context 2. Identify DPI-H capabilities to support it 3. Identify capabilities that already exist 4. Flag critical gaps and dependencies **Output:** Countries identify 1 action in their context that can begin within the next 12 months at national level, and 1 action at shared regional level.	Facilitated by CSIRO
4:30pm – 5:00pm	**Regional DPI-H Action Plan** Wrap-up and closing	Umer Nisar, CSIRO Rumanusina Maua, SPC Alvin Marcelo, AeHIN

ADDITIONAL EVENTS (INVITE ONLY)

5:00pm	**Site Visit: UTS Digital Lab (Invite only)**
7:00pm – 11:00pm	**SNOMED International 2026 Awards** *Foundation Hall, Museum of Contemporary Art (Invite only)*

DAY 3–5 · WEDNESDAY–FRIDAY 21–23 OCTOBER

SNOMED CT Expo

Bootcamp participants with SNOMED Expo registrations may proceed to the SNOMED CT Expo, 21–23 October 2026.

Target Discussion for PHIT Digital Components

UNICEF led, with WB and SPC (Invite Only)

WEDNESDAY 21 OCTOBER

9:00am – 12:30pm
SPARKED Pre-Conference Workshop
Boronia Ballroom, InterContinental Hotel, Sydney

1:30m – 5:00pm
Terminology without borders
Hermitage, InterContinental Hotel, Sydney

FRIDAY 23 OCTOBER

Fiji Core FHIR IG: Full-day Workshop
(Invite Only)
